Dear Colleague:

Congratulations on hurdling the first step towards success. The Institute of Integrated Electrical Engineers welcomes you to the fold.

IIEE is the organization of electrical practitioners and the only accredited professional organization (APO) of electrical practitioners by the Professional Regulation Commission (PRC) with a membership of more than 42,000 Professional Electrical Engineers, Registered Electrical Engineers and Registered Master Electricians.

IIEE commits to continually facilitate the advancement of technology transfer through carefully conceived educational and training program, maintains a strong network among its members and key partners in the industry both local and international, and provides various opportunities of interaction through the annual and mid-year conventions, and monthly regional conferences.

As member of IIEE, several benefits await you such as free subscriptions of EE Magazine, discounts on books, attend technical seminar and convention & earn CPD units. What more? Your participation in IIEE activities and interaction with fellow electrical practitioners will open more windows of professional development and opportunities for career advancement. (You may also refer to the attached IIEE MEMBERSHIP INFORMATION for additional benefits as member).

We kindly remind you that **Section 25 of RA 7920 states that, "...every professional electrical engineer, registered electrical engineer and registered master electrician upon registration with the Board as such, shall ipso facto, become a MEMBER of the integrated national organization..."** Please note that you will not be able to apply for (or renew) your PRC License unless you are a bonafide member of IIEE.

This coming **May 6, 2016 (Friday)** the PRC, BEE and IIEE have scheduled the Oath taking Ceremonies of the new board passers at the **Philippine International Convention Center (PICC) Plenary Hall, CCP Complex, Pasay City from 1:00 PM to 4:00 PM.** Please refer to the attached file regarding the details of this activity.

If you have questions or need clarification about this letter, you may contact Ms. Alma Larce of Membership Department at:

Kindly see the attached membership detailed information and BEE Letter of announcement for your reference

The pride and joy must be yours for such a victory over an ordeal painstakingly earned. As you start the first steps of your career ladder, we hope you consider IIEE as your partner.

Again, congratulations!

Very truly yours,

LARRY C. CRUZ
National President
