**TO: ALL ELECTRICAL PRACTITIONERS**

**SUBJECT: IIEE 2017 ANNUAL NATIONAL MIDYEAR CONVENTION**

Dear Sir/Madam:

The **Institute of Integrated Electrical Engineers of the Philippines, Inc., (IIEE)** is pleased to **invite** all electrical practitioners to attend the **2017 National Mid-year Convention** on **May 18-20, 2017 at the SMX Convention Center, Bacolod City, Negros Occidental.**

The Midyear Convention was organized to support the professional growth and information necessities of the electrical practitioners in the country. It is the continuous development of IIEE members and non-members all throughout the country.

Guided with this year's theme: **IIEE: Sustaining Growth Initiatives for Global Excellence.** This three-day event offers various technical activities designed to enhance the professional skills and competencies of the delegates, as well as to strengthen and to promote camaraderie within the industry from associates, government and private sectors.

- 1. TECHNICAL SESSIONS AND PRODUCT PRESENTATIONS.** Experts will discuss the latest technologies, products, services and best practices that can be used by the electrical practitioner in his/her work place. Electrical practitioner will be equipped with the latest tools on the various opportunities and challenges that await them in the profession.
- 2. ELECTRICIAN'S FORUM.** This is your chance to demonstrate your competency as an electrician, Electricians will encouraged to become registered master electricians through the help of this forum.
- 3. EXHIBITION.** This is your chance to showcase your products, services and best practices to the industry.
- 4. SPORTS TOURNAMENT.** Unwind, wear your sports attire and enjoy a friendly competition among fellow practitioners and supporters in the industry by participating in the Sports Tournament.
- 5. PLANT TOUR.** Visit private and government power plants within the Province of Negros Occidental.
- 6. EXHIBIT.** Open for the grandest display and exposition of the latest available *electrical equipment, machineries, appliances, personal devices or services* which will be showcased by various companies from the institute.
- 7. FELLOWSHIP NIGHT.** Establish camaraderie with valued stakeholders/exhibitors and forge cordial relationship with your fellow electrical practitioners.
