

IIEE – CDO SUPPORTS IIEE – CSC REGION 8 10TH REGIONAL STUDENT CONFERENCE (RSCON)

Being the a dynamic and model professional organization in Cagayan de Oro City, the Institute of Integrated Electrical Engineers Inc. – Cagayan de Oro Chapter (IIEE-CDO) support the conduct of the IIEE – CSC Region 8 10th Regional Student Conference (RSCON) held at Mindanao University of Science and Technology (MUST) last August 28 – 30, 2014. Headed by the IIEE – CSC officers of MUST and Engr. Rojien V. Morcilla, IIEE – CSC MUST Moderator and IIEE – CDO VP- Technical, the 10th RSCON was a record breaking in the history of Region 8 IIEE – CSC RSCON to have 470 participants. It is also the first ever RSCON to have kits and souvenir programs for all the participants while maintaining an affordable registration fee. Moreover, to have an ease in the registration of the conference, the 10th RSCON was the first RSCON to use the computerized registration system. The registration was the same system used by the IIEE – CDO Chapter, which linked to an in-house database for monitoring, reporting, financials, and certificates and ID printing for the 10th RSCON. Below are some photos during the registration.

To give students more knowledge and information regarding the actual practice of the Electrical Engineering profession, the officers and active members of IIEE – CDO chapter have given technical seminars during the 10th RSCON. Below are some photos during the seminar conducted.

**Engr. Romano Pimentel
(IIEE – CDO Member)**

**Engr. Alex Maureal
(IIEE –CDO IT Support)**

**Dr. Ambrosio B. Cultura, PEE
(IIEE – CDO Member)**

**Engr. Jeremy Perater
(IIEE – CDO Member)**

Atty. Dionel O. Albina, Ph.D., REE
(IIEE – CDO Member)

Engr. Collen B. Tarcello
(IIEE – CDO Board Secretary)

To enhance students' knowledge in the field of electrical engineering, actual and hands-on activities were conducted during the 10th RSCON. Actual hands-on activities in the electrical engineering laboratories in MUST were conducted after the seminars, which were facilitated by IIEE – CDO's officers and active members. Below are some photos during the actual laboratory exercises.

Engr. Romano Pimentel @ Automation Laboratory

Engr. Rojien V. Morcilla @ Advance Circuits Laboratory

After the seminars and laboratory activities the highlight of the 10th RSCON was the 14th Regional Math Wizard and 28th Regional EE Quiz Show where schools from IIEE Region 8 will compete to qualify for the National Math Wizard and EE Quiz Show. During the event officers and active members of IIEE – CDO has participated as Board of Judges (Engr. Russel Inzo, Engr. Allan L. Sadora, and Engr. Elvis Valledor) and Quiz Masters (Engr. Abdul Yasser A. Alam and Engr. Reymond E. Gonzales). The IIEE – CDO had also donated the trophies awarded during the event. Below are some photos during the competition.

Engr. Reymond E. Gonzales

After all the seminars and mind draining quiz shows the 10th RSCON ended with a fellowship night. The fellowship night aims to have a joyful ending while building friendship and camaraderie in every electrical engineering student throughout IIEE Region 8. The event highlighted the EE Got Talent where IIEE – CDO officers supports as judges for most talented act of the night. Below are some photos during the Fellowship Night.
